Dear Mr. Reiff:

Leading American Attorneys is proud to present our first complete and comprehensive *Guide to Leading Attorneys*. As a Leading Attorney, you are eligible for membership in our national network of Leading American Attorneys.

This *Guide* provides people with an efficient resource to locate legal counsel by area of expertise. Leading Florida Attorneys can put your credentials in front of thousands of potential clients, fellow referring attorneys, and professionals and organizations such as:

- American Corporate Counsel Assn.
- All 2800 Leading FL Attorneys
- FL Assn. of Corporate Directors
- FL General Counsel
- FL Institute of Certified Public Accountants

We are known for our *Guides*, but we can market your practice in many other ways. Our brochures, newsletters, and press releases are well-received in all Florida markets, and our Web site is one of the top 10 legal marketing sites used by unique visitors on the Internet. Our Quick Reference Guide, CD-ROM, and practice-specific *Guides* are distributed to thousands of Leading Attorneys, Corporate Counsel, Business Professionals, and Corporate Executives.

For more information, please call the phone number below. Otherwise, please expect a call from one of our consultants within the next few weeks to further explain what we can do for you.

Sincerely,

Robert McCollar, Esq.
